MACEDON RANGES
WINE FESTIVAL

Festival Passport

14 & 15 November

Macedon Ranges Wine

The Macedon Ranges wine region includes over 40 boutique family owned wineries offering small batch, high quality wines in an iconic location —less than an hour from Melbourne.

Over two festival days, 26 wineries across 15+ Budburst venues will open their doors to offer wine tastings and share their stories. With vineyards at altitudes ranging from 300-800 metres, we're the coolest mainland winegrowing region in Australia - making it an ideal location for a number of varietals.

Pinot Noir, Chardonnay and Sparkling Wines are what we are known for, and we do those exceptionally well.

That's not all we make however, the northern part of our region is known for its big robust reds, including Shiraz and Cabernet Sauvignon and you'll find exciting, aromatic whites like Riesling and Gewürztraminer across the Ranges.

It may be the coolest wine region in mainland Australia, but you'll find a warm welcome and unpretentious cellar doors. In fact, you're likely to have your glass filled by the winemakers themselves. So leave the laneways of Melbourne behind and explore the back roads of the Macedon Ranges for stunning scenery, warm hospitality and some excellent wine.

10:00am – 5.00pm

Budburst is back for another fabulous weekend. Once again, this is your once-a-year opportunity to go beyond the cellar door and meet the passionate people who craft some of Australia's most exciting cool-climate wines.

Over two festival days, 26 winemakers across 15+ Budburst venues will open their doors to offer wine tastings and share their stories. From established icons to hidden gems, Budburst is all about connection—between the makers, the wines, and you.

Venues will be opening their doors from 10am to 5pm each day, with tastings, curated food menus, and the chance to chat directly with the winemakers at every stop. Whether you're a wine enthusiast keen to learn directly from the vignerons, a foodie looking to sample seasonal local produce, or just want to spend a relaxing day amongst the vines, Budburst has something for everyone.

Travel the country roads, venture behind the vines, and immerse yourself in the picturesque Macedon Ranges Wine region. Browse pages 10-31 to view the full list of participating wineries opening their cellar doors for Budburst, and to find out more about the wines, food and entertainment on offer.

Leave the city behind and discover one of Victoria's most scenic wine regions.
